

# We are the Grange

The Grange is a grass roots organization that began in 1867. Rising from the fields and farmlands, we gathered on common ground to support each other, work together, and honor traditional values.

Today, the Grange has evolved into a community service organization with 10,000 members and 206 chapters across California. Grange halls are often the center of their community, providing culture, entertainment, and education, and a place for new and old friends to meet.

**Everyone is welcome to apply for membership in the Grange.** Each member contributes at their own pace. Each Grange decides how to best serve the community.

With lobbyists in Sacramento and Washington D.C., the Grange supports and advocates for healthy communities, family farms, local economies, cultural diversity, public schools, the arts, and a variety of worthy causes. **There is a Grange near you.**
